

New York hotel openings for 2016

< 01 02 03 04 05 06 07 08 09 >

InterContinental New York Barclay, Midtown, Manhattan

InterContinental's grand hotel in New York is now accepting reservations for its newly renovated incarnation from May 1. The renovation will see it restored to its original, 'Federal-style' elegance, which dates back to 1926. It's well-placed for exploring Fifth Avenue, Madison Avenue and MoMA.
