

SUSTAINABILITY AT THE BARCLAY

The InterContinental New York Barclay's responsible business plan follows the guidance of our parent company, InterContinental Hotels Group and focuses on the Triple Bottom Line of Economic Prosperity, Environmental Protection and Social Responsibility. We aim for our sustainability strategy - which aligns with the United Nations 2030 Agenda for Sustainable Development- to become the benchmark of the hospitality industry.

ECONOMIC PROSPERITY

Energy efficient lighting throughout hotel

Low-flow shower heads and toilets

Staff encouragement to be energy conscious in their professional and personal lives

Energy efficient HVAC systems

Triple pane energy efficient windows throughout the hotel

New supply water lines to reduce water leaks and failures

Automatic water faucets and water closets in public areas and back of house

ENVIRONMENTAL PROTECTION

Use IHG Green Engage: online sustainability tool that helps minimize hotel's impact on the local environment

Water conservation with every other-day sheet & towel washing policy

Promotion of Vivreau water (filtered tap water) in all F&B outlets

All menus feature primarily organic, seasonal, natural, and sustainable produce, and no endangered species

Recycled paper products for collateral

Extensive waste management program which sorts and recycles all types of waste

100% of hotel's organic waste is "digested" by a food digester

SOCIAL RESPONSIBILITY

Charity-of-the-month program that encourages guests to donate to monthly campaign

Partnerships with local charitable organizations that align with our commitment to the UN 2030 Agenda for Sustainable Development

Annual health & wellness fair for employees; plus locally sourced and healthy daily F&B offerings for staff

Specialty dishes at Gin Parlour celebrating various charitable causes

Partnerships with educational institutions to support NYC youth

IHG Foundation & IHG Academy

GOALS FOR 2017

IHG Green Engage Level 4 • Green Leaders Platinum • Green Key Global 5 Keys • Green Restaurant Association 4* • NYC Mayor's Hotel Carbon Challenge: 30% Reduction by 2022 • Waste Challenge: 80% Diversion Ratio in 2017 • EPA Water Challenge: 20% Water Consumption Reduction
